

PREMIER VERIFICATION SOCIO ECONOMIC DEVELOPMENT

On 8 June 2011 the Premier Verification team spent the afternoon with the teachers and children at our SED project for this year, the Refilwe Community Project in Lanseria.

Premier had scarves and beanies made by Isiphikeleli , a project run in the Natal Midlands teaching women in the community to knit and by so doing earn money. These scarves and beanies were then donated to all 45 children at the school aged 2 to 6 years old.

It was a wonderful experience to be able to meet the children and spend some time getting to know them as well as get a better understanding of the challenges that organisations such as Refilwe face on a daily basis. As an organisation, our visit made us aware of the huge difference that we can make in the lives of these children through the simplest of gestures. We have committed to becoming more actively involved in the school and will continue to make donations and contributions to assist them in doing the wonderful work that they do.

For more information on Refilwe visit www.refilwe.org or Isiphikeleli call Janet on 033 2677492 or email jan@isiphikeleli.co.za.
